Supplementary Table 1 Additional costs or loss of income due to radiotherapy among those patients who answered the question on distress (n = 1042). Numbers may not add up to 100% due to rounding error or missing values.

Additional costs due to radiotherapy	None	32% (338)
	Yes, but degree not reported	12% (123)
	< 100 €	14% (142)
	101 – 500 €	29% (306)
	501 – 1.500 €	8% (78)
	1.501 – 2.500 €	1% (13)
	> 2.500 €	1% (9)
	Loss of income due to radiotherapy	None
Yes, but degree not reported		2% (24)
< 100 €		2% (24)
101 – 500 €		13% (131)
501 – 1.500 €		7% (72)
1.501 – 2.500 €		2% (21)
> 2.500 €		1% (15)
